Since 1947 Bearings Limited has been dedicated to providing bearing and power transmission distributors throughout the world with a high quality product, competitive pricing and a level of customer service unmatched in the industry. Today, our extensive inventory of over 20,000 different bearing sizes and configurations are purchased exclusively through a worldwide network of manufacturers. These bearings are conveniently stocked in each of our seven locations throughout the United States to satisfy the "Just in Time" needs of distributors in North America, Europe, South America, Asia, Africa and the Far East.

The Miniature Bearing Division at Bearings Limited is a leading supplier of Miniature and Instrument Precision Bearings.

In partnership with manufacturers, Bearings Limited supplies only the highest quality Miniature Bearings.

Exact machining procedures insure proper radial play, torque values, static and dynamic loads, operating speeds and Abec class. Rigidly monitored testing insures that every bearing produced for Bearings Limited meets AFBMA/ISO Standards.

Dedication to such detail has placed Bearings Limited in the forefront of the Miniature and Instrument Precision Bearing industry.

Typical applications for Miniature and Instrument Precision Bearings are:

- Actuators
- Power Tools
- Dental Hand Pieces
- Tape Guides
- Medical Devices
- Telecommunication Equipment
- Disk Drives
- Computers
- Servomotors
- Encoders
- Gearheads
- Differentials

In order to better service this wide range of Miniature marketplaces, Bearings Limited offers an extensive variety of Miniature Bearing configurations:

- SAE 52100 Chrome Steel
- AISI 440C Stainless Steel
- Extended Inner Rings
- Open, Sealed or Shielded
- Abec 1 thru Abec 7 Precision
- Inch & Metric Sizes
- Flanged & Unflanged Outer Rings
- Choice of Radial Play/ Retainer Type

STANDARD LUBRICATION

With access to over 100 different types of lubes, our Lubrication Department is equipped to fulfill your specific lubrication needs. Bearings Limited's standard lubes for its bearings are:
