- 1 - Due to Manufacturing Changing of Part Numbers always call to be sure before ordering. 1-800-874-6445
- 2 - IKO offers Special Enviromental Attachments, Undermount Rails, Self Lubercating Blocks,Stainless Steel & Non-Magnetic Materials
- 3 - IKO offers Automation & Application help for you and or your customers projects any time.
- 4 - There are a lot of other Linear items not listed, call for updates & interchanges of other models not shown.
- 5 - Coatings: Polymeric Fluoride-Soild Lubercant, Diconite-Dry Film Lubercant, Armoloy- Corrsion & Friction Reduction, (Raydent) Black Chrome - Corrosion, Fluorine Black Chrome - Corrosion & Adhesion Resistance.
