Grid Coupling - Designation Interchange

Kop-Flex Kop-Grid and Falk Steelflex* uses the same coupling type designations.

Example: Kop-Flex 1020 T10 is the same as Falk* 1020 T10.

Horizontally Split Cover - T10

Vertically Split Cover - T20

Spacer (Full) - T31
Half Spacer - T35

Other Gear Couplings By Kop-Flex

Kop-Flex/Emerson Power Transmission offers two other major types of gear couplings that Falk* does not.

Fast's®

All metal seal
300% more lube capacity
Longer life
Available in sizes #1.5-30
Quick delivery - same day!

Waldron®

High misalignment seal
Better seal than o-ring
Stronger tooth
Available in sizes #1-7
Quick delivery - same day!

Kop-Flex stocks all sizes #1 to #30 for immediate shipment - no other manufacturer can claim this!
All Kop-Flex couplings are available for shipment same day, rough bore, finished bore 3-5 days.
Finished bore can be shipped same day for small nominal charge.
Gear couplings are interchangeable by half coupling. Grid couplings are interchangeable by components.

For more information call 1-800-626-2120.
