WARNING!

Failure to observe the following warnings could lead to a risk of serious bodily harm:

The products catalogued are application specific. Any use in applications other than those intended could lead to equipment failure, or to reduced equipment life.

Proper maintenance and handling practices are critical. Follow the equipment manufacturer's installation instructions. Failure to follow installation instructions and to maintain proper lubrication can result in equipment failure.

For complete coverage and listings refer to: Bearing and Seal Application Catalogs No. 7391 and No. 7546; visit our website at www.timken.com; or contact us at auto.am@timken.com.
