

OPERATE WITH **EXTENDED UPTIME**

Timken® Set-Right® Commercial Vehicle Hub Rebuild Kits

As a tapered roller bearing technology leader, Timken can help you increase your fleet's uptime and performance. Engineered to help increase fuel efficiency and simplify installation, Timken® Set-Right® Commercial Vehicle Hub Rebuild Kits are also available for severe duty and wide single tire applications.

Accurate Bearing Setting:

Timken® Set-Right® kits feature bearings that **significantly reduce the width variation** found in standard bearings. Our **tight bearing width tolerance enables consistent and accurate bearing setting** of pre-adjusted hubs.

Consistent Bearing Setting:

Consistently achieve proper wheel bearing setting, avoiding the need for manual bearing adjustment and **promoting optimum bearing and seal life**.

Streamlined Inventory

Management: With a **wide range of part numbers**, each kit features two Timken MileMate® matched bearing sets and a precision-machined spacer (**five common spacer types available**).

Longer Lasting Bearings Can Mean More Uptime. MileMate bearings, manufactured with super-clean high-strength alloy steel, precision profiles and enhanced surface finishes, feature high load ratings, and **outlast and outperform competitor bearings.***

*Based on 2012 comparison testing conducted with case-carburized bearings against top competitors. All bearings were commercially available and produced in North America. Information derived from Timken Standard Life Testing, using significant statistical samplings of bearings in a controlled test environment.

TIMKEN

The Timken team applies their know-how to improve the reliability and performance of machinery in diverse markets worldwide. The company designs, makes and markets high-performance mechanical components, including bearings, gears, belts, chain and related mechanical power transmission products and services.

Stronger. **Commitment.** Stronger. **Value.** Stronger. **Worldwide.** Stronger. **Together.** | Stronger. **By Design.**

Set-Right® Commercial Vehicle Hub Rebuild Kits and Components

FFTC1 - FF Steer Kit			
Kit Contents	MileMate® P/N	Component P/N	Qty
Inner NP cone	SET427*	NP899357	1
Inner NP cup		NP026773	1
Outer NP cone	SET428*	NP874005	1
Outer NP cup		NP435398	1
Spacer**			1

RDTC1 - R Drive Kit			
Kit Contents	MileMate® P/N	Component P/N	Qty
Inner NP cone	SET429*	NP034946	1
Inner NP cup		NP363298	1
Outer NP cone	SET430*	NP840302	1
Outer NP cup		NP053874	1
Spacer**			1

TNTC1 - N Trailer Kit			
Kit Contents	MileMate® P/N	Component P/N	Qty
Inner NP cone	SET431*	NP965350	1
Inner NP cup		NP503727	1
Outer NP cone	SET427*	NP899357	1
Outer NP cup		NP026773	1
Spacer**			1

TPTC1 - P Trailer Kit			
Kit Contents	MileMate® P/N	Component P/N	Qty
NP cone	SET432*	NP174964	2
NP cup		NP593561	2
Spacer**			1

FLTC1 - FL Steer Kit			
Kit Contents	MileMate® P/N	Component P/N	Qty
Inner NP cone	SET445*	NP294109	1
Inner NP cup		NP039695	1
Outer NP cone	SET446*	NP107091	1
Outer NP cup		NP183330	1
Spacer**			1

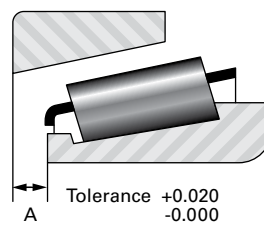

FFTC2 - 454-Series™ FF Steer Kit			
Kit Contents	MileMate® P/N	Component P/N	Qty
Inner NP cone	SET603*	NP454357	1
Inner NP cup		NP454773	1
Outer NP cone	SET605*	NP454005	1
Outer NP cup		NP454398	1
Spacer**			1

RDTC2 - 454-Series™ R Drive Kit			
Kit Contents	MileMate® P/N	Component P/N	Qty
Inner NP cone	SET600*	NP454946	1
Inner NP cup		NP454298	1
Outer NP cone	SET601*	NP454302	1
Outer NP cup		NP454874	1
Spacer**			1

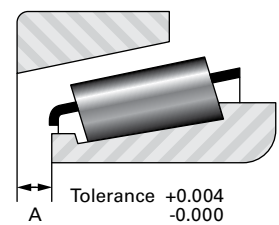

TNTC2 - 454-Series™ N Trailer Kit			
Kit Contents	MileMate® P/N	Component P/N	Qty
Inner NP cone	SET602*	NP454350	1
Inner NP cup		NP454727	1
Outer NP cone	SET603*	NP454357	1
Outer NP cup		NP454773	1
Spacer**			1

TPTC2 - 454-Series™ P Trailer Kit			
Kit Contents	MileMate® P/N	Component P/N	Qty
NP cone	SET604*	NP454964	2
NP cup		NP454561	2
Spacer**			1

Standard Bearing (HM)

Controlled Width Bearing (NP)

* Includes proprietary Timken part numbers ** Spacer not sold separately
